The Western River’s cup is south-west Queensland’s only Indigenous cricket carnival.

Each year SWIN continues to expand the Western Rivers Cup, with the standard of cricket increasing each year. The 2022 event is shaping up to be even better!

If you are one of our past sponsors or are looking for a new way to support your community, then we invite you to be part of our 2022 Western Rivers Cup.

Seventeen teams, 34 Team officials, 20 volunteers and over 200 players will again unite at Captain Cook Recreational Reserve in Toowoomba for a day of fun, fast and exciting action on the pitch.

This is a great opportunity to encourage Indigenous men, women and their families to be active and healthy while enjoying a ‘good yarn’ among friends, fellow competitors and spectators.

As SWIN and Western Rivers Cup continue to grow, please know that partnerships with our sponsors are vital to the next chapter and ensuring this popular community sporting event will become a favourite day on our State’s sporting and cultural calendar.

Western Rivers Cup is a joint initiative by the South West Indigenous Network and Queensland Cricket.

The carnival’s name recognises the cultural significance of the region’s river systems to Aboriginal and Torres Strait Islander people.

Each team is named after one of these important rivers.
