## Message from the SWIN Chairperson

I would firstly like to acknowledge the traditional custodians of the lands on which our services are placed and their continuing connection to the land, sea and community. I would also like to acknowledge and pay my respects to our Elders, past, present and emerging. In its first two years of operation the South West Indigenous Networks' (SWIN) Pathways Program was able to provide funding to almost 300 Aboriginal and Torres Strait Islander young people to attend dozens of State and Regional representative sporting events. This funding aims to increase the representation of Aboriginal and Torres Strait Islander people in representative sport and provide a pathway for them to compete at the highest levels.

This program continues the work of the Small Grants Program which came to an end in 2017 after 9 years of providing subsidised funding to individuals, teams and special events across South-West and South-East Queensland. Since 2009 SWIN has distributed over to \$700,000 in small grants funding across 18 Local Government Areas (LGA) and has provided 40% of the Aboriginal and Torres Strait Islanders the opportunity of enjoying similar levels of physical, emotional and social wellbeing as those enjoyed by other Australians. The Pathways Program is funded under the National Indigenous Australians Agency's Safety and Wellbeing program to increase the participation rates Aboriginal and Torres Strait Islander young people in recognised, mainstream sporting events. These events include Queensland School Sport State Titles and also State Championships that are aligned or coordinated by the State or National Sporting Body.

While teams participating in Aboriginal Carnivals or Events are not eligible for the Pathways Program we are interested in hearing from those organisations coordinating the carnivals. Community Sport & Recreation Special Events with Public Liability insurance that have at least 75% Aboriginal and Torres Strait Islander participation can apply for up to \$1,000 for support under the Pathways Program. SWIN can help cover costs such as referee fees, venue hire, capacity building like coaching courses and equipment, if your organisation meets the criteria within the attached guidelines. Applicants or Organisations seeking funding under the Pathways Program must be representing or located in the Local Government Areas identified in the guidelines.

If you are applying under the Individual Application the South West Indigenous Network Inc would like to congratulate you as an Aboriginal or Torres Strait Islander in being selected to represent your community/region at a regional or state sporting event endorsed by Queensland School Sport or our valuable state sporting bodies. It is a proud moment for any mother, father, grandparent, uncle or aunty when achieving this milestone and as Chairperson I am honoured to provide financial assistance for families to participate and attend these fantastic events, if eligible, under our Pathways Guidelines. I would like to also emphasise that families and organisations should carefully read the guidelines and attach all relevant documentation to your application. The duration

of processing, assessing and finalising allocation of funds for the Pathways Program is 6 weeks. In some circumstances, the turn-around in funding successful applicants may differ but that is dependent on the number of applications being processed at the time and quality of applications. Feedback for individual applicants is to be proactive when your child is selected and any information/ documentation provided by team manager be submitted with the SWIN Pathways application form to our office within one week of being selected. In relation to special events we'd encourage event coordinators to submit their application along with Public Liability, support letters and budget breakdowns 8-12 weeks prior to the event date. Of course SWIN is also committed to Covid Safe practices and would therefore encourage funding recipients to be mindful of social distancing and seek guidance from your sport of choice in relation to changes to major events.

SWIN will continue to allow acquittals to be submitted via our social media sites such as Facebook, Twitter and Instagram. Providing an acquittal to the Pathways Program Coordinator is a mandatory requirement when receiving funding from SWIN and failure to provide this will make your family or organisation ineligible for further funding until this documentation is submitted. The acquittal process is extremely important as it provides our funding body the outcomes being achieved and ultimately the opportunity of obtaining further funding to continue the Pathways Program into the future.

Due to the large number of Aboriginal and Torres Strait Islander families accessing the Pathways funding the funding may become fully allocated prior to the end of the financial year. If this occurs our organisation will notify applicants through the SWIN website and social media sites. I would also encourage families to check out the alternative funding tab on our website to become familiar with other programs that are able to assist with sporting subsidies. I would like to finish by once again congratulating all SWIN Pathways funding recipients on their achievement in gaining selection into a regional or state representative team or conducting an Aboriginal or Torres Strait Islander sport and recreation event. Our board hope that the funding contribution by the South West Indigenous Network Inc can assist in developing many more Aboriginal and Torres Strait Islanders on their sporting journeys and create the ultimate PATHWAY to success!

Tim Klaas  
Chairperson

## Pathways Program Application Guidelines

Before submitting your application under the Pathways Program please take time to carefully read the guidelines provided to assist in presenting your submission to the highest standard. Please use the relevant Documentation Tick Box to ensure you have included all the relevant information in your application.

Please be aware all applicants must reside in the following Local Government Areas: Toowoomba, Southern Downs, Western Downs, Goondiwindi, Balonne, Maranoa, Paroo, Murweh, Quilpie and Bulloo. If you do not reside in any of these areas your application will be deemed ineligible under the South West Indigenous Network Pathways Program.

**The National Indigenous Australians Agency (NIAA) have not approved our 3 year funding agreement from June 2020 to continue the Pathways Program in the following Local Government Areas; Lockyer Valley, Gold Coast, Logan, Scenic Rim, Redlands, Brisbane, Moreton Bay, Ipswich and Somerset. Whilst SWIN cannot fund anyone located in these Local Government Areas within this funding agreement, the organisation is working closely with NIAA to re-establish a presence in these communities.**

### 1. CONFIRMATION OF ABORIGINALITY

- Individual applicants must be an Aboriginal and/or Torres Strait Islander person. Evidence of Aboriginal and/or Torres Strait Islander heritage can be provided through either a completed Proof of Cultural Identity/Aboriginality Form that has been fully endorsed by an Aboriginal or Torres Strait Islander organisation with a common seal stamp. OR through a letter from an Aboriginal or Torres Strait Islander community organisation, SWIN member organisation or individual who is known to the SWIN Board.
- Statutory Declarations will no longer be accepted.
- Proof of Cultural Identity only needs to be provided once as SWIN keep these on file

- Individual Applications will be favourably considered if the event is a Queensland School Sport or Regional/State Carnival facilitated by the State/National Sporting body or affiliates.
- In relation to Individual Applications, SWIN will only accept applications from participants that are 18 years and younger. The Pathways Program has had to adjust its guidelines to align to the Programme around the Indigenous Advancement Strategy – Safety and Wellbeing.
- Approved Funds will be paid directly to relevant sporting organisation(s) and/or sporting bodies. For those seeking reimbursement, proof of payment is required. Estimates or budget predictions will not be accepted.

**Note:** you may prefer to submit costs after paying for travel and accommodation. SWIN will consider reimbursement for fuel if Fuel Cards are purchased prior to the event and receipt is provided in the application.

- The SWIN Board does understand that some applications submitted will entail a possible conflict of interest around assessment. The board has measures in place to confirm that all conflict of interests will be declared and applications are assessed by a staff member that provides equality and fairness across the program.
- All applicants will be notified of the assessment outcome by mail, fax or email. In some cases, you may be notified by phone call from the Pathways Coordinator or SWIN board member.
